

**STERLING ESTATES
OF WEST COBB**
Cottage Update

June 22, 2018

We have important **NEWS** to report!

Since our opening in August 2016, we've welcomed so many active adults who've made the move to Sterling Estates. They're a combination of empty nesters, new retirees, moved to be closer to family, etc...but they're all looking for a more carefree and active lifestyle with a continuum of care, if needed down the road.

Sterling Estates offers them a lifestyle choice unlike any other senior living community in Greater Atlanta. With our large, 30-acre campus that features distinctive, masterfully built Cottages, 7,500 square foot Wellness Center, and new clubhouse under construction, these independent residents can live a more carefree and active life while taking advantage of the finest services and amenities available.

So why is this important to **YOU?**

With 36 Cottages already occupied, only a few are still available. Now is the time to consider Sterling Estates for yourself. Once these Cottages are taken, our final Phase Cottages won't be available until Fall 2019.

Click below for a virtual tour of three of our cottages: Cypress, Beech One and Beech Two.

To learn why others have chosen Sterling Estates as their home, view testimonial videos from some of our cottage residents by clicking below to go to our website.

Call now and schedule a tour of your new Cottage home. We would love to introduce you to **A STERLING LIFE!**

All the best,

Martha Sherman
